Dear Mrs. Pino,

The Ronald McDonald House – Miami would like to thank, State Street Realty for the meal and bingo provided to our families on April 18th, 2019. Our Adopt a Meal/ Volunteer program could not be a success without the dedication and efforts of people like you. We greatly appreciate your contribution to our Charity. Thank you for keeping our families in your hearts!

**SPECIAL THANKS** to all the volunteers that participated!

Thanks to thoughtful efforts like yours, we are able to operate our “Home Away From Home” for families of children with serious illnesses being treated at the University of Miami/Jackson Memorial Medical Center and other nearby hospitals. The Ronald McDonald House provides a safe and loving home where people can relax during their time of need. At “The House That Love Built,” families can sleep comfortably, cook meals, do laundry, and receive understanding and support from others facing similar circumstances.

On behalf of the staff and guests of the Ronald McDonald House – Miami, we accept your generosity with deep appreciation. Please keep “The House That Love Built” in your thoughts always!

Sincerely,

Veronica Forte
